- A. Recruitment of additional employees
- B. Use of experienced employees as coaches for new inexperienced employees
- C. Creation of new subsidiaries (e.g. Romania, India)
- D. Use of several models as variants of a common platform

Answer: B

Question: 95

Which dimension is defined in Automotive SPICE Â®?

- A. Resource dimension
- B. Capability dimension
- C. Objective dimension
- D. Time dimension

Answer: B

Explanation:

In principle, automotive SPICEÂ® has two dimensions: the process dimension and the process capability dimension. The processes in the process dimension are based on the ISO 12207 that has been extended and modified with automotive-specific additions.

A. The linking of requirements, test cases and test tools provides traceability and enables the desired verification of test cases for test case coverage

B. A 1:N relation exists; for example If a test case is tested with the help of several requirements and is therefore linked to several requirements

C. The linking of a requirement, a derived test case and the associated test implementation provides the base for a complete testability.

D. With complete traceability It is possible to trace test cases to their requirements and test cases which have been executed to their corresponding results.

Answer: D

Question: 100

As a unit tester (module tester) you are working on a project and are supposed to develop a test strategy.

Which of the following test and analysis procedures is, according to Automotive SPICE® NOT an appropriate element of a verification strategy for unit tests (software units), which were "manually coded"?

Note The components to verify are non-safety relevant and safety relevant (up to ASIL-C) components

A. Tool supported static analysis

B. Hardware-in-the-Loop-Tests

C. Unit tests (Test of Software-Units)

D. Code-Reviews

Answer: A

SAMPLE QUESTIONS

*These questions are for demo purpose only. **Full version** is up to date and contains actual questions and answers.*

Killexams.com is an online platform that offers a wide range of services related to certification exam preparation. The platform provides actual questions, exam dumps, and practice tests to help individuals prepare for various certification exams with confidence. Here are some key features and services offered by Killexams.com:

Actual Exam Questions: *Killexams.com provides actual exam questions that are experienced in test centers. These questions are updated regularly to ensure they are up-to-date and relevant to the latest exam syllabus. By studying these actual questions, candidates can familiarize themselves with the content and format of the real exam.*

Exam Dumps: *Killexams.com offers exam dumps in PDF format. These dumps contain a comprehensive collection of questions and answers that cover the exam topics. By using these dumps, candidates can enhance their knowledge and improve their chances of success in the certification exam.*

Practice Tests: *Killexams.com provides practice tests through their desktop VCE exam simulator and online test engine. These practice tests simulate the real exam environment and help candidates assess their readiness for the actual exam. The practice tests cover a wide range of questions and enable candidates to identify their strengths and weaknesses.*

Guaranteed Success: *Killexams.com offers a success guarantee with their exam dumps. They claim that by using their materials, candidates will pass their exams on the first attempt or they will refund the purchase price. This guarantee provides assurance and confidence to individuals preparing for certification exams.*

Updated Content: *Killexams.com regularly updates its question bank and exam dumps to ensure that they are current and reflect the latest changes in the exam syllabus. This helps candidates stay up-to-date with the exam content and increases their chances of success.*

Technical Support: *Killexams.com provides free 24x7 technical support to assist candidates with any queries or issues they may encounter while using their services. Their certified experts are available to provide guidance and help candidates throughout their exam preparation journey.*
